REBELS! STUDENTS! WORKERS!

Get Involved with Evergreen YDSA/The Arcade Projects this November!

Upcoming Stuff:

- **Black Panthers Field Trip**

We are taking a field trip **this Saturday the 21st** to the Seattle Black Panther Party Interpretive Center with Black Student Union and students from Tacoma Campus! If you would like to join, please read Inquiry & Organization and/or Siege of States (zine versions are in our Student Activities cubicle), and come to our study group where we will discuss the texts on Wednesday the 18th at 2 PM in CAB 304.

- **Working Group Events & Workshops**

Keep an eye on our calendar for more info! Our working groups are doing stuff almost every single day, so come try things out!

- **General Meetings**

Don't know where to start? Come to one of our general meetings! They happen every Friday, from 6-8 PM in SEM II B1107, with **free dinner** thanks to Solarpunk Society!

What we've been up to:

A lot! We've been busy!!! Here's what we've done after the end of Disorientation Week (which you can read about in our October Letter):

- Held two Movie Screenings: La Haine and Reporter Reflections on the George Floyd Uprising.
- Provided protest security and medicine with South Salish YDSA and Olympia DSA for the March for Schools which protested the closures of 3 neighborhood schools.

- Appointed Harassment & Grievance officers, who can be contacted at **ArcadeHGOs@proton.me** if you need to report any harassment or grievances.
- Have started several active **Working groups**, with regular meetings and well-attended events.
- Tabled frequently, handing out hundreds of Disorientation Manuals and getting dozens of signups.

- Did multiple Group Workouts per week, playing pickup soccer, lifting weights, and going on runs.
- Began our Rapid Response campaign, forming teams in multiple buildings across campus housing and preparing trainings.
- Organized Geoduck Ultras at soccer games, turning out to support our fellow students & have fun.

- Canvassed with No Hate WA State, successfully blocking one of two anti-trans ballot initiatives.
- Set up a website, **ArcadeProjects.org**, which has a full events calendar, digital edition of the Disorientation Manual, and more.

If you want to chat about getting involved, come to our office hours! They are in our cubicle in Student Activities (CAB 3rd Floor) this quarter:

- Finn -- Mondays 2-3 PM, Fridays 4-6 PM
- Jamie -- Thursdays 2-5 PM
- Aiden -- Fridays 12-3 PM

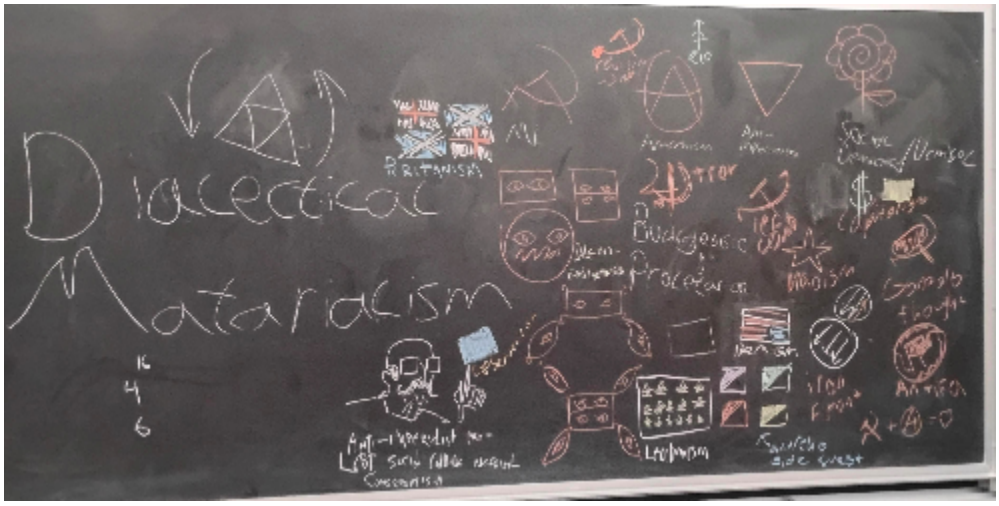

If none of these times work for you, reply to this email and we can set up a time to meet 1 on 1!

Love and Solidarity,

The Arcade Projects / YDSA
